

Forex Association of India

The Forex Association of India, affiliated to "Association of Cambiste Internationale", Paris is a National Organisation whose members are Treasury Managers, Foreign Exchange Dealers (including all Nationalised Banks, Foreign Banks, Private Sector Banks, Reserve Bank of India and some Corporate Dealers) and Foreign Exchange Brokers. Foreign Exchange Dealers in India represent Authorized Dealers i.e. commercial banks. They are front line users of the Foreign Exchange Market and their primary function is to be "price providers" to other users, viz., importers and exporters, and investors with inward and outward capital flows. The Association tries to ensure that the markets are transparent and Foreign Exchange transactions are conducted in as professional manner as possible. It is a forum for exchanging news and views on the latest developments, both financial and technological, amongst professionals. The activities of the Association include Organising training programmes for members to prepare them for the ACI Dealing & Diploma Examination through their Education Committee. In the past, FAI had conducted various training programs, viz. Derivatives, Bourse Training Program, Technical Analysis for Currency Trading, Currency Futures, etc. with Trinity Academy, which was well received and appreciated by all the participants. The facilities at Trinity Academy were found excellent by the participants in the program.

Trinity Academy

Trinity Academy, whose Management Team is having over 20 years experience, is an established and highly professional organization and a leader in training and consulting space in the Banking, Capital Market and Insurance domain. Designed to develop and enhance human capital in all its dimensions and produce readily employable professionals in the banking industry, they are known for quality, timeliness and value of the services provided. They have a strong course design, content development and delivery methodologies including Case Study Methods, Class room discussion, constant monitoring of learning process, hands on training, modular approach etc., which can bridge the gap between the Student and requirement of banks. They have also carved a name in customized training by catering to all the learning and development needs of the Corporate, especially banking fraternity. Trinity Academy has infrastructure with state of the art facilities at Kurla, Mumbai, equipped to train 400 candidates at any point of time. It has associates relationship with experts like Indian Institute of Banking and Finance ('IIBF'), Forex Association of India, Foreign Exchange Dealer's Association of India, Karve Institute of Social Science, Pune, Centre for Organization Development, Hyderabad, and Sikkim Manipal University as Authorised Learning Centre.
