35th ANNUAL FOREX ASSEMBLY

Madam/Dear Sir,

With immense pleasure, we announce the 35th Annual Forex Assembly of Forex Association of India in Phuket (Thailand). As you are aware, FAI has been conducting the much acclaimed assembly year after year and is awaited by the entire Forex community of Indian diaspora across the globe. The participants for this event shall consist of FX Dealers, Treasury Heads, Risk Managers of the Bank, FX Broking Houses, Large Corporate Houses and Service Providers. Senior policy makers including representatives from FEDAI and FIMMDA & eminent economists / analysts are expected to participate in this assembly. Treasury Heads and FX Dealers from Middle East and other Asian countries are also expected to participate.

Business sessions including Speeches and Panel Discussions on the latest market developments by eminent speakers will constitute the high points of the conference in Phuket (Thailand).

Phuket, Thailand's famous island destination, is a captivating blend of natural beauty and vibrant hospitality. The island boasts stunning beaches along the Andaman Sea, striking Sino-Portuguese architecture in Old Phuket Town, and rich cultural traditions. Its lively night markets, world-class dining, and scenic coastal views reflect a dynamic spirit, while its peaceful resorts offer relaxation. Set against tropical landscapes, Phuket is both majestic and warmly inviting.

Preserving the tradition of high standards, FAI will endeavour that senior decision makers from RBI will also be present in the conference besides leading economists and eminent bankers to make the Business sessions more informative. The Business sessions of the assembly provide much insight to the participants on the latest market developments. We are sure that your esteemed organisation will come forward with good number of nominations.

We look forward to receiving nominations in sizeable numbers from your organization so as to ensure the 35th Annual Forex Assembly of your association is a grand success.
